

Headteacher's Corner

High Grange

I hope this update finds you well. It was great to see so many of you at our parent/carer coffee morning earlier this week. It was wonderful to hear about how well pupils & students have been settling in. If you weren't able to come, please get in touch.

As I shared last week, our football team were in action for the first time earlier this week. Providing opportunities for our pupils to experience sporting events against other schools is so important and our pupils never cease to amaze us. Please check the school's website for a match report, I won't ruin the excitement and share the score here.

We recently shared a survey with all parents around online safety, it will only take two minutes of your time to complete, so please, if you haven't already can you put this on your to do lists :)

Just a reminder to be proactive in monitoring your child's online activity. If you are looking for support, please get in touch.

As always, thanks for your support, Matt

A group of pupils were selected to represent the school this week at St Georges park for the opening of the new football league we are taking part in. Pupils were treated to a tour and a coaching session. We were incredibly proud of how the pupils represented the school at a public event. Pupils were also a fan of the new school football kit.
