

Headteacher's Corner High Grange

The run up to Christmas always feels busy in school, and no doubt at home too. We are now over halfway through the term, and the final few weeks always bring a mixture of emotions as anticipation builds across the whole school community.

Winter Showcase practice continues with pupils and students refining their performances in preparation for the big day. Staff have been supporting them brilliantly, and there is a real buzz of excitement around the corridors. The day itself will also be our Christmas Jumper Day, so please join in and get involved, the more festive, colourful, and cheerful, the better!

Sporting events have been a real highlight this week. We've had football and Kurling matches against two different schools, as well as our first after-school sports club, which was extremely well attended. As always, our pupils and students have done us proud, showing exceptional attitudes, teamwork and behaviour in highly competitive and emotive environments. It is fantastic to see their confidence growing and their enthusiasm shining through.

Key Events

Wednesday 10th December (16.00-17.00) A link will be sent out next week).

Thursday 18th December, we will be holding an after-school school disco, organised as part of a Duke of Edinburgh project, please support this fantastic initiative (timings TBC).
